

# HISICON 2018

## XV National Conference of Hospital Infection Society India

Pre-conference CME

**Health Care Associated Fungal Infections: Epidemiology, control and Prevention**

**3<sup>rd</sup> October 2018, Learning Centre, NIMS, Hyderabad**

| <b>Registration 8.00-8.30 AM</b>       |   |  |   |
|--|---|--|---|
| <b>Inauguration 8.30-9.00 AM</b>       |   |  |   |
| <b>S.no</b>                            | <b>Topic</b>  | <b>Faculty</b>   |  |
| 1.                                     | Epidemiology and control of Health care associated Yeast Infections-              | <b>Dr.Arunaloke Chakrabarti</b><br>Professor and In-Charge<br>Center of Advance Research in Medical Mycology, WHO Collaborating Center for Reference & Research of Fungi of Medical Importance, National Culture Collection of Pathogenic Fungi.<br>Head, Department of Medical Microbiology<br>Postgraduate Institute of Medical Education & Research, Chandigarh | <b>9.00-9.30 AM</b>   |
| 2.                                     | Controlling a possible outbreak of <i>Candida auris</i> infection-lessons learnt- | <b>Dr.Manisha Biswal</b><br>Professor<br>Dept.of Medical Microbiology<br>Postgraduate Institute of Medical Education & Research, Chandigarh  | <b>9.30-10.00AM</b>   |
| 3                                      | Epidemiology of Health care associated Mould infections-                          | <b>Dr.Sukanya sudhaharan</b><br>Assistant Professor<br>Dept.of Microbiology,<br>NIMS, Hyderabad  | <b>10.00-10.30AM</b>  |
| <b>Q &amp; A session 10.30-10.45AM</b> |   |  |   |
| <b>Tea break 10.45-11.00AM</b>         |   |  |   |

|                                       |  |   |                                   |
|---------------------------------------|--|---|-----------------------------------|
| 4                                     | Design,construction,maintenance and validation of Hospital HVAC systems"   | <b>Mr.Vinod Kumar Sekar</b><br>Senior Consultant<br>Airindoor Assessment Pvt Ltd,<br>New Delhi  | <b>11.00-<br/>11.30AM</b>         |
| 5                                     | Environmental infection control measures in healthcare facilities to minimize exposure to fungal spores.                 | <b>Dr.Anita Sharma</b><br>Head,Dept.of Laboratory Medicine,Fortis Hospital ,Mohali,Punjab   | <b>11.30 AM to<br/>12.00 Noon</b> |
| 6                                     | Infection Control Risk Assessment (ICRA) : Matrix of Precautions for Construction & Renovation in Health care facilities | <b>Mr.Gourav Loria</b><br>Group Head, Quality and administration,<br>Senior General manager, Apollo Hospitals Group   | <b>12.00 Noon-<br/>12.30PM</b>    |
| 7                                     | Hospital water and invasive fungal infections  | <b>Dr.Anita Sharma</b><br>Head, Dept.of Laboratory Medicine,Fortis Hospital ,Mohali,Punjab  | <b>12.30 to<br/>1.00PM</b>        |
| <b>Q &amp; A session 1.00-1.15 PM</b> |  |   |                                   |
| <b>Lunch 1.15-2.00PM</b>              |  |   |                                   |
| 8                                     | Microbiological sampling of the Hospital environment for Fungi—<br>What does the evidence say?                           | <b>Dr.Manisha Biswal</b><br>Professor<br>Dept.of Medical Microbiology<br>Postgraduate Institute of Medical Education & Research,Chandigarh                                      | <b>2.00-2.30<br/>PM</b>           |
| 9                                     | Efficacy and Safety of Antifungal prophylaxis and the emergence Breakthrough Fungal infections.                          | <b>Dr.Subhash Todi</b><br>Director & Head,<br>Department of Critical Care, AMRI Hospitals, Kolkata.   | <b>2.30-<br/>3.00PM</b>           |
| 10                                    | Molecular tools for the investigation of Health care associated Fungal Infections  | <b>Dr.M.R.Shivaprakash</b><br>Professor,<br>Mycology Division<br>Department of Medical Microbiology,<br>Postgraduate Institute of Medical Education and Research,<br>Chandigarh | <b>3.00-<br/>3.30PM</b>           |
| <b>Q &amp; A session 3.30-3.45PM</b>  |  |   |                                   |
| <b>Tea break 3.45-4.00PM</b>          |  |   |                                   |
| <b>Demonstration-4.00-5.00PM</b>      |  |   |                                   |
